GK500

500 must do GK questions

For students preparing for competitive exam, the major question faced by everyone is General Knowledge, How to prepare for GK. The reason for extra importance of General Knowledge topics and questions is that it will not only assist you to score very high marks in less time but it will also help you to perform well in Group Discussions and Interviews. General awareness has always been taken at the lighter side by many of the candidates not realizing that how major it can be in competitive exams.

Here are some useful tips for preparing GK:

Tip- 1: Read Newspapers Daily

Tip- 2: Watch Current affairs special programmes on News

Tip- 3: Read Business Today & India Today magazine thoroughly

Tip- 4: Complete Cetking's GK40 program

Following questions are divided into sets of 25 questions each.

Lets take the tests in parts ie small test of 25 questions at a time to know how you stand as of now in your GK preparation.

Target score in each set.

If you score 00 – 05 = poor score

If you score 05 – 10 = poor score

If you score 10 – 15 = poor score

If you score 15+ = poor score
