

MBA CET Marathons

Includes:

- Increase your score by 30 marks with Cetking Marathons
- Loaded with shortcuts for all topics
- All workshops as per new pattern of CET 2016
- Roadmap and homework for last one month

Stage 1 Preclass work

Logic 1	60	Do 10 questions from Coding Decoding, Direction. Blood Relation, Problem Solving Arrangement, Inequalities, Input Output
Verbal	50	Do 10 questions from blue books on: Sentence Correction, Cloze Test, Reading Comprehension and Para Jumbles
DI/Quant	50	Do 2 sets from blue books on DI Tables DI Pie Charts, DI Bar Charts, DI Caselets and 10 questions of Data Sufficiency and Data Comparison
Logic 2	40	Do 10 questions from blue books on: Statement Assumptions, Statement Conclusions, Course of Action, Cause and Effect, Critical Reasoning

Stage 3: Eclasses and Online workshops

Each topic workshop will be pre recorded and available online for the students. Enough workshops to keep you busy for the complete week.

Stage 4: Post class homework

Enough homework will be given to keep you busy for 1 week till next workshop happens. Homework will be given in the class.
