

Solutions

All these questions are hand picked from last year CAT papers. Unfortunately due to time constraint we could not make the solutions for these questions. However each of these question is available in the last year papers pdfs here <http://cetking.com/cat> or just copy the question and post on google you will get the solution as all the CAT questions are already available online in some format or the other.

Do solve these questions as they are most important ones.

Regards
Team Cetking
